About TIAG®

TIAG® is an innovative technology company providing strategic, transformational solutions to private industry and across the Department of Defense.

At TIAG®, our greatest asset is our people. Our unique, unified company culture attracts brilliant, creative, well-credentialed business and technology professionals who share an entrepreneurial spirit and ardent desire to make a true difference for customers. Our commitment to taking care of our people inspires the dedication and longevity of our teams, ensuring success and continuity for client initiatives.

TIAG's strategic quality control management system and processes amplify our company-wide focus on excellence — ensuring the highest degree of management processes, solutions and work products we create and deliver for our customers. Notably, tiag has achieved prestigious International Organization for Standardization (ISO®) 9001:2015 certification for quality management systems (QMS), and is appraised at Level 3 of CMMI® Institute's Capability Maturity Model® Integration (CMMI) for Services.

When Commitment Matters®

TIAG® is an innovative management and technology services company with a leading reputation in providing superior transformational business results. All of our staff are experts in both business and technology and bring a comprehensive discernment to advising on relevant technologies. Our customers choose us because we understand their business and the role and impact technology can have on their business processes. They keep us because we deliver value beyond the scope.

TIAG® is a woman-owned business. DUNS: 065245750.
Corporate Headquarters: (703) 437-7878 • 11911
Freedom Drive, Suite 1180, Reston, VA 20190.
